**Accommodations**

Group camp cabins are very rustic. Bunk beds have standard size mattresses and use regular twin bedding. Campers will need to bring their own bedding. Because of the plastic covering on the mattresses, we suggest a mattress pad in addition to regular bedding. There are no restroom facilities in the cabins. A clean, modern bathhouse is available on campus for the exclusive use of the group camp. Campers will be assigned a carefully selected, responsible, adult counselor. Counselors sleep in the cabin with their charges. All students are to keep their personal living space neat and clean. Cabins are inspected daily for tidiness.
